Hiking

One of the best ways to explore the scenic beauty that Plettenberg Bay has to offer is by hiking the national parks, beaches and trails. Pack a picnic, and point your compass in the direction of one of the national parks in the area. Plan a day trip to **Robberg Nature Reserve** in Plett or the one of the beautiful walks along the coast in **Nature's Valley** or the **Kranshoek Coastal Walk**, and enjoy walking through indigenous forests, along one of Plett's **Blue Flag beaches**, or head out to **Tsitsikamma** and choose one of their meandering coastal trails.

For a unique hiking experience, you may want to book the famous **Otter Trail** or try Plett's newest adventure, **The Plett Trail**.

Whether you're a seasoned hiker or are simply interested in taking a leisurely walk along the coast, there are plenty of places to wander. Remember to bring your camera, slap on the sunscreen and bring plenty of water. Enjoy your hike!
